Grounds

That in the abovementioned facts and circumstances, the present petition is being filed on the basis of the following, amongst other, grounds:

- A. Because "the State has the constitutional duty to provide adequate facilities and opportunities by distributing its wealth and resources for settlement of life.
- B. Because "the right to food and settlement is a fundamental right under Article 19(1)(e) and it is a facet of inseparable meaningful right to life under Article 21."
- C. Because it is "the duty of the State to provide right to food to the poor and indigent weaker sections of the

society in fulfillment of the constitutional objectives.”

Ahmedabad Municipal Corporation v. Nawab Khan Gulab

Khan & Ors. (supra)

- D. Because the respondents have failed in ensuring the failed in complying with their duty.
- E. Because The Delhi government had announced that it would start issuing e-coupons to the poor so that they would get ration for free. According to the government, all they had to do was fill a 'simple' form online. The form is not so simple either.
- F. Because The website through which people who do not have ration cards in Delhi had to apply to become eligible for ration has crashed. Whenever [the website](#) is accessed, it permanently shows the message 'Server under heavy load! Please check after some time.' Moreover, most poor people cannot apply online as most do not have smart phones and there are no cyber cafes functioning during the lockdown.
- G. Because “the current system requires those without ration cards to apply for an e-coupon using a website. They need to have the ability to access the internet, have a mobile phone to generate an OTP, upload a photo of their Aadhaar card and a photo of their family, and finally, download the

e-coupon. This makes the system inaccessible for the poorest and marginalised who need rations.”

- H. Because the petitioner herein has been approached by several poor persons complaining about that despite having e coupons are not being given rations. They did not getting the ration from the distribution centre since one month.
- I. Because the present petition seeks urgent intervention of this hon'ble court to ensure that the poor persons are saved from the most emergent humanitarian crisis and appropriate orders for the same be passed.
- J. Because there is no other alternative remedy available to the poors and other marginalised sections of the society other than approaching the Hon'ble court.

P R A Y E R

In the above mentioned facts and circumstances, it is most respectfully prayed that this Hon'ble Court may be pleased to:

- (A) Issue a writ of mandamus or any other writ directing the authorities to ensure that the appropriate quantity of rations as per the norms is immediately dispersed and distributed to the persons as detailed in Annexure P1 Of the present petition.
- (B) Issue a writ of mandamus or any other writ directing the respondents to ensure that E-coupon holders who are

not being delivered rations till date despite having E-coupons under the PDS system launched by the Delhi Government.

- (C) Pass an order directing the authorities to ensure that appropriate ration are made available to the distributors of the allotted Ration centres so that it could be distributed to E.
- (D) Pass an order directing the authorities to publish/ issue a detailed list of the quantity of rations which ought to be distributed at the ration distribution centres to each individual.
- (E) Pass an order directing the authorities to ensure that the applications for issuance of E-coupons for distribution of rations are opened and accepted by the Delhi Govt. and appropriate rations thereof is distributed.
- (F) Pass an order directing the authorities at the central Govt. to ensure that appropriate amounts of rations and commodities is released to the Govt, of NCT of Delhi so as to ensure that no further situations is arised as detailed in the present petition ensuring that all the persons in the need of the rations are provided with the same.

- (G) Pass an order directing the authorities to ensure that the web/IT infrastructure for the functioning of the PDS distribution system including and but not limited to registration of the applicants is kept functional at all the times and an appropriate person/official is designated so as to ensure that errors if any may be reported to the said persons/officials should be resolved
- (H) Pass any such directions or order which this Hon'ble court deems fit and proper in the facts and circumstances of the above mentioned case.

AND FOR THIS ACT OF KINDNESS THE PETITIONERS ARE DUTY BOUND SHALL EVER PRAY.
