URGENT

August 21, 2020

Shri Narendra Modi
Prime Minister
South Block,
New Delhi.

Dear Prime Minister,

I write this urgent letter because of my authentic information from every part of India that required infrastructure of the country is not yet in place for students to take the NEET/JEE & other Competitive Exams. In the city of Bombay for example, there is no public transport and people have to come from in the adjacent areas, often 20kms to 30kms away. There is wide spread desperation amongst the youth since this exam is make or break for them and they have to take it fully prepared.

Holdíng the exam in my opinion you may lead to a large number of suicides around the country of youth. Moreover, the Supreme Court judgment

doesn't bind the government at all, on whether to now or two weeks later or two months later, the examinations. It is a policy decision of the Government.

Therefore, I request you to please inform the Ministry of Education that these exams can be conducted after the Deepavali. I spoken to Minister, Mr. Ramesh Pokhriyal and he was sympathetic to my suggestion but naturally since this would require your concurrence, hence I am writing this urgent letter to you. Please direct the Ministry of Education delay these examinations till after Deepavali.

With Regards

Yours Sincerely

(Subramanian Swamy)
